Organization

Aeolus Aero Tech (AAT)

- * Global Leader in Aerospace Products and Services
- * Delivers affordable, High Technology Solutions
- * Uncompromising Business Ethics & Delivery
- * World class Technical Expertise & Collaboration
- * Dedicated to Customer Satisfaction & Mission
- * Assist with Manufacturing, Assembly and Testing
- * Provide Life-time Engineering & Technical Support
- * Champion Alternative Wind Energy (500 W to 5 KW)

AEOLUS AERO TECH Pvt. Ltd.

202, 3rd Floor, Rajadathri Building
2nd Main Road, Kasturi Nagar
Bengaluru 560 043, India

Aero-Space Products

- A. Educational Labs
- B. Heat Pipes & Thermosyphons
- C. Wind Tunnels
- D. Space Tech Products
- E. Micro-Gravity Research
- F. CubeSat: Design, Develop & Deploy
- G. Wind Energy (500 W - 5 KW)**

G. Wind Energy

Promoting Green Energy

- ✓ State of the Art Wind Technologies
- ✓ Core strength: Small Wind Turbine Segment
- ✓ Home & Industry use (500 W to 5 KW)
- ✓ Natural, Alternative, Renewable source
- ✓ Manufacturing, Assembly & Installation
- ✓ Alternative Energy Consulting
- ✓ Survey, Site, Size, Plan, Install & Maintain

G. Wind Energy

Green Energy Products

- ✓ Vertical Axis Wind Turbines (5 KW to 15 KW)
- ✓ Hybrid Street Light Systems
- ✓ Home & Industry use (500 W to 5 KW)
- ✓ Solar + Wind Hybrid Systems

Energy, CubeSat, Space, Microgravity

Aeolus Aero Tech Services

- * 1. Mission Design & Development
- * 2. Mission Preparation & Analysis
- * 3. Subsystem Requirement Analysis
- * 4. Subsystem Development & Testing
- * 5. Product development support
- * 6. Integration, Verification and validation
- * 7. System Integration & Testing
- * 8. Industrial Manufacturing
- * 9. Advanced Engineering Services (CAE/CFD/CAD)
- * 10. Related software development

Contact us

- ✓ AEOLUS AERO TECH Pvt. Ltd. offers several products and services in the Aeronautical, Micro-gravity and Space sectors. Email with your specific needs
- ✓ For details on any product, service, pricing, delivery, warranty, service needs, maintenance, insurance, etc. please contact the undersigned
- ✓ Products and Services offer is subject to required approvals from the regulatory authorities in the respective countries & International Space Protocols
- ✓ Applicable freight, import duty and any VAT / Sales taxes will be added. Shall assist Customer to secure required CubeSat Insurance
